Art.-Nr. 12-20201

Neumärker Galaxia® Mars | Metallic Red | Heart-shaped Waffle

Description

• Touch Injury Protection vacuum hood: Optimal heat insulation through a vacuum inside the hood. Particularly energy-efficient. The reduced external temperature of the hood prevents burn injuries.
• Smart Energy Control: Up to 33% energy saving in comparison to professional waffle makers without this innovative Neumärker technology. The upper and lower baking plates are individually controlled and adjusted. Enormous reduction of power consumption achieved. Uniform and constant temperature of both baking plates.
• Digital timer: Adjustable to the second. With acoustic signal. Ensures consistently perfect baking results.
• Digital control of temperature and baking time.
• Easy-to-clean and durable electronic control panel made of Lexan® polycarbonate.
