Art.-Nr. 05-50539

Blooming Onion Cutter | Cutter for deep-fried onion flowers

Description

• Blooming Onions are a popular fast food snack in American steakhouses
• Surprise your customers with this creation: Outside the USA, the creative Blooming Onions are still quite unknown
• Ideal as a snack in pubs and tapas bars or as a side dish in restaurants
• Similar in taste to Onion Rings, but special in presentation
• Preparation is quick and easy: Cut, bread and deep-fry the onion
• Blooming Onion Cutter high-quality manufactured: Sturdy frame construction made of welded stainless steel with polished weld seams
• Easy to use and clean
