Art.-Nr. 00-80627
Electric Griddle Plate II

Description

- Grill surface 650x480 mm
- Griddle plate made of 10 mm thick steel: Ideal heat retention for perfect searing and short cooking times. even heat distribution and a significant reduction of temperature fluctuations
- Flat plate without grooves for easy cleaning
- Welded griddle plate: Perfect hygiene without gaps in which residues can accumulate
- Integrated grease pan with high capacity of 1 liter
- Easy operation
- Temperature range 50-300°C
- Thermostatic control
- Separately adjustable heating zones
- Pilot lights
- Control elements splash-proof IPX4
- Stainless steel casing
- Height-adjustable feet

Technical data

Electric power:	6 kW
Voltage:	400V
Supply frequency:	50Hz
Width x depth x height:	658 x 541 x 285 mm
Net-weight:	44 kg
Working area:	650 x 480 mm
