Art.-Nr. 00-90279
Hydrometer

Description

- Saccharometer / Density meter
- Graduated in 1000-1400 g/l and in 15-40° Baumé
- Made of glass
- Also suitable for salt solutions
- The correct sugar concentration of slush is very important! Sugar prevents your soft drink from freezing and thus prevents damage to the appliance‘s motor!

Technical data

Width x depth x height: 295 mm
