Bubble Waffle Mix | Professional baking mix for bubble waffles | Box of 10 kg (10 x 1 kg)

Description

Bubble Waffle baking mix for catering. Perfect for selling waffles at markets and festivals. The ready-made batter mix is just mixed with water! This makes the batter quick and easy to prepare in between.

The Bubble Waffle recipe:

- Special recipe for airy bubbles with crispy dividers.
- The thin dividers harden quickly during cooling and give the waffle stability when folded to a cone. The bubbles remain fluffy and soft.
- Less sweet than most waffles so it can be generously filled.

The practical waffle baking mix for markets and festivals:

- Quick reproduction as needed.
- Mix and start baking right away.
- No fresh ingredients, only water required.
- Space-saving storage.
- No refrigeration needed for ingredients or dough.
