Art.-Nr. 05-20130-02

Churros-Ready-Mix | Professional baking mix for churros | box of 10 kg (10x 1 kg)

Description

Churros baking mix for gastronomy. Perfect churros quickly and easily. Especially practical for mobile use! Just mix with water: quick preparation on the go without fresh ingredients. After mixing, you can start baking immediately. It couldn't be easier!

The practical churros baking mix for markets and festivals:

- Quick reproduction as needed.
- Mix and start baking right away.
- No fresh ingredients, only water required.
- Space-saving storage.
- No refrigeration needed for ingredients or dough.

Tip:
Use drinking water from PET bottles when working mobile without access to running water. This keeps you independent and flexible!

Easy preparation:

- Open one bag and mix with water. Done!
- Simple planning, storage, and preparation without fresh ingredients.
- You can start baking immediately after mixing.
- Pre-portioned 1-kg bags: especially practical because no weighing is required during preparation.
