Diamant Grill Compact Set with Diamant Setting and Outdoor Wheels

Description

Perfect if there is only little space: The Diamant Grill Compact Set contains the basic equipment without the Diamant wings, so that the grill does not take up as much space. The stainless steel made Diamant Grill® offers an easy application and a large grill surface of 64 cm diameter. It's the perfect outdoor kitchen for professional chefs or for pleasant barbecue dinners. The Diamant Grill® should be operated in the Setting for a safe usage. As an alternative the grill can be integrated decoratively into a strong and heat-resistant work-top.
