Art.-Nr. 05-90381

Ice Cream Maker Retro Gelato 1700

Description

• The ideal ice cream maker for small restaurants, cafés and bistros to offer homemade ice cream as dessert
• A triple coating in connection with the lacquer finish gives the aluminum housing durability and protection against scratches
• The curvy shapes are reminiscent of the 1950s retro design, so that this Italian ice cream machine can be placed decoratively in your counter area
• Preparation time approx. 15-25 minutes for 1 kg / 1.5 liters of ice cream
• Built-in 1.7 liters stainless steel container for best cooling contact
• Alternative removable stainless steel container for easy cleaning included
• Suitable for the production of gelato, sorbets and frozen yoghurt in excellent quality
• A device integrated in the lid for adjusting the amount of air enables you to adjust the texture of the ice cream to your needs
• Automatic conservation mode after preparation is completed
• 32 rpm
• DDS direct drive system
• Particularly energy-efficient
• Semi-professional device: Not suitable for permanent commercial use
