MyLogo Waffle 2go | Development of your Custom Waffle Baking Plate | Your Logo as a Waffle

Description

Development of your Custom Waffle Baking Plate | Your Logo as a Waffle.
Stands out. Stays in mind. Makes people happy.

Your Logo as a Waffle
Inspire your customers and business partners with this charming marketing idea that will be remembered! Perfect for trade fairs, events and promotion, as a snack at meetings or at company celebrations. You will be surprised how successful this type of advertising is!

ATTENTION!
This article includes only the development costs of your custom Thermocook baking plate for waffles on a stick. Once development has been completed, the baking plates can be ordered separately. Current prices apply.

Your Custom Logo Waffle Plates – Ready for Series Production
- Once your design has been successfully developed, you can reorder your custom Thermocook waffle plates at any time.
- Keep your brand fresh – again and again.

Custom Logo Waffles for Every Occasion
- Customise your waffle with text or a design for specific occasions, as a logo waffle for your catering business, or with your company logo for marketing and promotional purposes.
- Your brand message is conveyed in a way that is delicious and effective.
- The Neumärker product development team creates the design together with you and tests it in practice.
- The development time until delivery is approx. 3 months.

Sensory Marketing
- The sweet, traditional waffle creates positive associations

Technical data

Size of the waffle:	Ã˜ 120 x h 18 mm
Number of waffles:	4

with your company.
- The smell of fresh waffles attracts your customers from afar.
- The appetite and sweet taste are subconsciously linked to your brand.
- The logo waffle remains in good memory!

Reliable Quality

Made from high-quality, non-stick coated aluminium for optimal baking results and easy cleaning. Ideal for professional use.

Technical Details

- Baking plate for 4 waffles on a stick, each measuring Ø 120 x h 18 mm.
- Suitable for Thermocook (not suitable for Thermocook Twin).
- Your logo is required as a high-resolution graphic, ideally in vector format. The logo should be two-colored, as only two levels can be reproduced on the waffle.
- The waffle's base shape is fixed; the logo area has a diameter of 100 mm.
- In some cases, the logo cannot be reproduced 1:1 and may need to be adapted in consultation with you.
- Alternatively, a lettering of approx. 10 characters (depending on text and font) can be implemented.
