Art.-Nr. 17-71503

Diamant Grill® mini2go | The charcoal grill for catering pros

Description

The new little brother of the Diamant Grill is perfectly suitable for the mobile use at catering and barbecue events
• Thanks to its compact dimensions the Diamant Grill mini2go is portable and can easily be transported in the car
• The switchable electric fan of the charcoal grill unit ensures short heat-up times at events and allows particularly high temperatures for searing perfect steaks
• The conical shape of the Diamant Grill mini2go ensures even heat distribution at a reduced charcoal consumption
• Body entirely made of stainless steel, incl. all screws and rivets
• Heat-resistant plastic handles
• Grid made of 6 mm thick stainless steel
• Grill surface 500 x 330 mm
• Removable charcoal compartment for easy cleaning
• Temperature control through adjustable smoke outlet
• Lid thermometer
• The fold-out feet ensure a stable stand on any surface
