Art.-Nr. 11-80190

Neumärker Chromium Griddle Plate Classic

Description

- Chromium steel griddle plate: Faster heating-periods, efficient energy consumption and easy cleaning
- Protected electronics: The gap between the two parts of the unit works as an insulation. Since the heat does not damage the electrics, the product is durable and ready to use permanently without interruption
- Huge juice tub: Simplifies the cleaning and the continuous removing of fat and residues
- Flexible application: 3 separately adjustable heating zones can be operated with different temperatures
- Protection edge 80 mm high
- Pilot lights
- Cooking surface 900 x 400 mm

Technical data

Electric power:	10,2 kW
Voltage:	400V
Supply frequency:	50Hz / 60Hz
Width x depth x height:	905x450x220 mm
Net-weight:	38 kg
Working area:	900 x 400 mm
