Art.-Nr. 88-40701-00

Interchangeable Plates Adapter Set for Baking Syst

Description

- Adapter set for using Thermocook interchangeable plates on the Neumärker Baking System
- Do you already have a Neumärker baking system? With the adapter set, you can still use new interchangeable plates on your device
- Compatible with most interchangeable plates for the Thermocook
- Compatible with Neumärker baking system I + II (art. no. 12-40701DT + 12-40702DT)
- Includes 2 cones, 2 spacers, 4 screws
- Depending on the model of the interchangeable plate, the cone with the short screw is used or the cone with spacer and the long screw
- The adapter set is not required for use on the Neumärker Thermocook
