Art.-Nr. 05-70770
Santos Brushless Blender #62

Description

• Extremely quiet operation with only 62 dB due to sound-absorbing protective cover, brushless motor and special pad underneath the blender jar
• Alternating direction of rotation for even better performance with ice and frozen fruits
• Maintenance-free brushless motor with particularly long service-free life and excellent energy efficiency
• Ideal for fruit and vegetable smoothies, milkshakes, cocktails, desserts, frozen coffee as well as crushing ice
• Direct electronic control of the motor: High performance without energy loss
• Easy-to-clean, scratch-resistant control panel
• 30 pre-programmed work cycles
• Multi-step programming of individual preparation steps
• Variable speed 2500 rpm to 15000 rpm
• Blender jar 1.4 liters

Technical data

Electric power:	3 kW
Voltage:	230V
Supply frequency:	50Hz
Width x depth x height:	200 x 247 x 440 mm
Net-weight:	9 kg
Content / Capacity:	1,4 Liter
