# Art.-Nr. 12-40801-75

# Panini Grill Thermocook® incl. Panini Grill Interchangeable Plates

## Description

With the panini grill plate, you can turn your Thermocook into a professional contact grill. For paninis, bread rolls, toast, flatbread and much more. Ideal for briefly crisping up sandwiches and paninis before serving. • Grilling surface 280 x 280 mm

- Multifunction appliance for interchangeable plates (Panini Grill plates included)
- Currently more than 25 different interchangeable plates available, e.g. for waffles, pizza, crêpes, paninis, pancakes, donuts, sandwiches, churros
- Digital timer with large display adjustable up to 9:59 min/sec
- An acoustic signal at the end of the cooking time ensures consistent product quality, even with frequently changing staff
- The acoustic signal reminds the user at the right time to remove the food so that it does not burn while they are performing other tasks at the same time
- Optimal heat transfer: Direct contact between heating element and interchangeable plate due to 8 screws that are tightened evenly
- New high-performance heating elements with enlarged heating surface for even heat distribution without hotspots
- Particularly energy-efficient through optimised thermal insulation: A double shielding minimises heat loss and reduces the risk of serious burns
- Extremely stable frame construction thanks to reinforced supports
- The space of 42 mm between the hot plates and the casing prevents heat accumulation in the appliance and thus extends the service life
- Improved ventilation slots ensure heat exchange in the casing
- Easy cleaning of the accessible surfaces
- Particularly service-friendly design for easy maintenance and repair

## Technical data

| | |
|---|---|
| **Electric power:** | 2,8 kW |
| **Voltage:** | 230V |
| **Supply frequency:** | 50HZ / 60Hz |
| **Width x depth x height:** | 320 x 340/530 x 275/655 mm |
| **Net-weight:** | 26 kg |
| **Working area:** | 280 x 280 mm |

- Front panel with display made of easy-to-clean and durable Autotex polyester
- Thermostatic control 0 - 300°C
- Pilot light
- On/off switch
- Stainless steel casing
- Height-adjustable feet

Interchangeable plates:

- Solid cast iron ensures outstanding heat retention. This guarantees quick preparation and the perfect grill pattern on the food
- The classic cast iron plates do not require a non-stick coating and are resistant to mechanical influences. This means they can be cleaned thoroughly without fear of damaging the material.
- Infinitely height-adjustable, parallel grill plates 0 to 44 mm
- Spring-supported lid for easy opening
- Max. opening of the grill plates 100 degrees (angle)
- Not suitable for baking system adapters.
