Poffertjes Ready Mix | Professional poffertjes baking mix | Box of 10 kg (10 x 1 kg)

Description

The quick and easy way to make perfect poffertjes. Sweet with a delicious buttery flavour, slightly salted for an intense taste. The Dutch snack, served with powdered sugar and melted butter, is simply wonderful.
Our baking mix only needs to be mixed with water, making it ideal for quick reproduction throughout the day. With no need for fresh ingredients, it is especially practical for mobile use at street stands, markets, and festivals.

The ideal poffertjes baking mix for markets and festivals:

- Fast reproduction as needed.
- Mix and start baking immediately.
- No fresh ingredients, only water required.
- Space-saving storage.
- No refrigeration needed for ingredients or batter.

Tip:
Use drinking water from PET bottles when working mobile without access to tap water. This keeps you independent and flexible!
