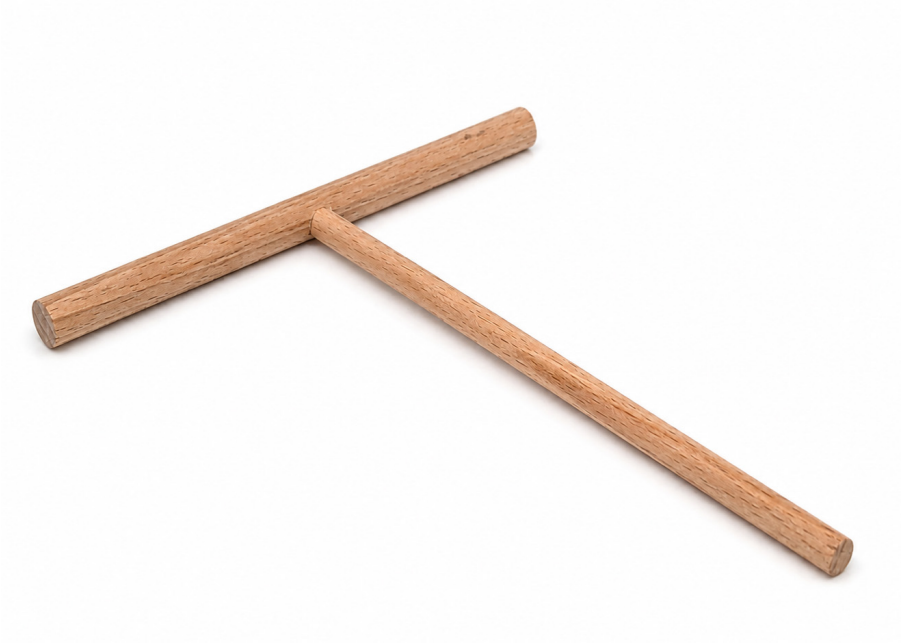
Art.-Nr. 00-90090
Wooden Crêpes Spreader



Description

The crêpe spreader made of high-quality beech wood ensures an even, thin distribution of batter on the crêpe plate – an indispensable tool for crêpe stands, cafés and mobile crêpe sales.

- Slim handle (0.8 cm) for controlled, precise movement when spreading the batter
- Spreader head diameter: 1.2 cm
- Handle length: 20 cm
- Material: beech wood
- Natural wood: grain and dimensions may vary slightly

Technical data

Width x depth x height:	12 x 163 x 200 mm
