Art.-Nr. 10-90096

Single-use Cutlery Dessert Spoons made from Birch Wood, waxed | 1000 pieces

Description

- Disposable cutlery dessert spoons for the catering industry.
- High-quality birch wood with a natural look.
- Warm, light wood colour with a smooth surface.
- Finished with beeswax: pleasant mouthfeel and smooth texture. Reduced roughening when in contact with food. Increased moisture resistance.
- FSC® 100% certified: wood from responsibly managed forests. The environmentally friendly alternative to plastic cutlery.
- Ideal for catering, food trucks, snack bars, events, festivals, takeaways and street food.
- Suitable for direct contact with food.
- Neutral taste, no impact on food.
- Packaging unit: 1000 pieces (in packs of 100 pieces)
