

## Description

Saccharometer / Density meter  
Graduated in 1000-1400 g/l and in 15-40° Baumé  
Made of glass  
Also suitable for salt solutions  
The correct sugar concentration of slush is very important!  
Sugar prevents your soft drink from freezing and thus  
prevents damage to the appliance's motor!

## Technical data

**Width x depth x height:** 295 mm
