

Art.-Nr. 00-90279

Hydrometer

Neumärker[®]

Description

Saccharometer / Density meter

Graduated in 1000-1400 g/l and in 15-40° Baumé

Made of glass

Also suitable for salt solutions

The correct sugar concentration of slush is very important!

Sugar prevents your soft drink from freezing and thus

prevents damage to the appliance's motor!

Technical data

Width x depth x height:

295 mm
