Waffle-Ready-Mix | Professional baking mix for waffles | box of 10 kg (10x 1 kg)

Description

Waffle baking mix for catering: The well-known classic from Neumärker. For cafés, restaurants and hotels or for waffle stands at markets and festivals. Particularly easy to prepare, especially convenient for mobile use at street stalls, funfairs or Christmas markets.

The practical waffle baking mix for markets and festivals:

- Quick reproduction as needed.
- Mix and start baking right away.
- No fresh ingredients, only water required.
- Space-saving storage.
- No refrigeration needed for ingredients or dough.

Tip:
Use drinking water from PET bottles when working mobile without access to running water. This keeps you independent and flexible!

Quick preparation:

- Mix with water only. No need to add fresh ingredients. This is quick and simplifies organisation, storage and preparation.
