## Description

Crêpes baking mix for professional use. Simply mix with water: quick preparation on the go without fresh ingredients. After mixing, you can start baking immediately. It couldn't be easier! New recipe. Now even better! Reduced salt content for a refined flavour and a simplified preparation that only requires water.

The ideal crêpes baking mix for markets and festivals:

Quick reproduction when needed.

Mix and start baking immediately.

No fresh ingredients required, only water needed.

Space-saving storage.

No refrigeration required for ingredients or batter.

Tip:

Use drinking water from PET bottles when working mobile without access to tap water. This keeps you independent and flexible!

Easy preparation:

Open a bag and mix it with water. Done!

Simple planning, storage and preparation without fresh ingredients.

You can start baking immediately after mixing.

Pre-portioned 1-kg bags: especially convenient since no weighing is required during preparation.
