Sauce & Chocolate Warmer Crema I

Description

The Neumärker Sauce & Chocolate Warmer Crema is the ideal solution for professional warming and dispensing of sweet and savoury sauces. This professional sauce and chocolate warmer keeps hazelnut chocolate spreads and liquid toppings consistently warm and perfectly ready for dispensing. Thanks to the removable 1-liter bottles, sweet or savoury sauces can be applied cleanly and evenly directly onto desserts or snacks. Ideal for fast service during peak demand.

Clean & precise dispensing:
- Removable 1-liter special bottle with 3 spouts for fast and even dispensing.
- Direct, portion-accurate application without dripping. Perfect for an attractive presentation.

Even heating & optimal consistency:
- Gentle heating keeps sauces consistently fluid and ready to use.
- Ideal for sensitive products such as hazelnut chocolate spreads or cheese sauces.

Versatile applications:
- Suitable for sweet toppings such as chocolate, honey or caramel.
- Also suitable for savoury sauces like cheese sauces or hot dog sauces.
- Perfect for crêpes, waffles, pancakes, ice cream, churros, desserts and snacks.

Well-designed system & easy handling:
- Dry-heated system – no water bath required.
- Removable display surface for placing a jar (e.g. jam, honey or spread).
- Compact design for use on counters, buffets or in food trucks.
- Ideal for fast service during peak demand.
- Designed for gastronomy, bakeries and catering.
