

Art.-Nr. 12-40801-25

Waffle Maker Thermocook® incl. Kant Waffle Interchangeable Plates

Neumärker[®]

Description

Similar to the Brussels Waffle, but smaller and thin, both waffles of one baking progress are served together.

Multifunction appliance for interchangeable plate (Waffle plates included)

Currently more than 25 different interchangeable plates available, e.g. for waffles, pizza, crêpes, paninis, donuts, sandwiches, churros

Digital timer with large display adjustable up to 9 min. An acoustic signal at the end of the cooking time ensures consistent product quality, even with frequently changing tasks. The acoustic signal reminds the user at the right time to remove the food so that it does not burn while they are performing other tasks at the same time.

Optimal heat transfer: Direct contact between heating element and interchangeable plate due to 8 screws that ensure even heating.

New high-performance heating elements with enlarged heating surface for even heat distribution without hotspots. Particularly energy-efficient through optimised thermal insulation: A double shielding minimises heat loss and reduces the risk of serious burns.

Extremely stable frame construction thanks to reinforced supports.

The space of 42 mm between the hot plates and the casing prevents heat accumulation in the appliance and thus extends the service life.

Improved ventilation slots ensure heat exchange in the casing.

Easy cleaning of the accessible surfaces.

Particularly service-friendly design for easy maintenance and repair.

Front panel with display made of easy-to-clean and durable Autotex polyester.

Thermostatic control 0 - 300°C

Pilot light

On/off switch

Stainless steel casing

Height-adjustable feet

Interchangeable plates:

For 2 waffles each 153 x 80 x 19 mm

Massive cast iron

Technical data

Maximum power:	2,8 kW
Voltage:	230V
Supply frequency:	50HZ / 60Hz
Width x depth x height:	320 x 340/530 x 275/655 mm
Weight:	20 kg
Size of the waffle:	153 x 80 x 19 mm
Number of waffles:	2
