Eiffel Tower Waffle Interchangeable Plates for Thermocook®

Description

With the Eiffel Tower waffle interchangeable plates, you can create unique waffles in an iconic shape and bring genuine Parisian flair to your offering. The detailed Eiffel Tower design makes each waffle a real eye-catcher and ensures high attention – ideal for social media and impulse purchases. Baked to a crispy finish and made for consumption on a stick, Eiffel Tower waffles are ideal for to-go sales. Whether served plain, with toppings or creatively decorated, this specialty creates a memorable experience for your customers and clearly sets your offering apart from the competition. Ideal for cafés, events, amusement parks or modern street food concepts.

The Perfect Snacl for to-go concepts:

- Waffles on a stick allow clean and easy handling.
- Ideal for street food, events and high-traffic sales environments.
- Unique Eiffel Tower shape as a real eye-catcher.
- Perfect for Instagram-ready waffles and impulse-driven sales.
- Ideal for expanding your product range with an emotional highlight.

High-quality construction & material:

- Made of aluminium with non-stick coating.
- Even heat distribution for perfect baking results.
- Fast preparation for high output.
- Non-stick coating ensures easy release and cleaning.
