## Sunny Waffle Interchangeable Plates for Thermocook®

*Neumärker*®

### Description

The Sunny Waffle is a reinvention of the traditional Bergische Waffle, also known as the heart waffle. The modern shape with 4 sections has beautifully shaped hearts and the fine square pattern makes it crispier than the classic model. The Sunny Waffle has a unique shape, but retains the aesthetics of the traditional German heart waffle.

For 1 waffle each 195 x 195 x 20 mm

Massive cast aluminium with non-stick coating

### Technical data
