after completion of the development of the
design.

Your Custom Logo Waffle Plates -
Production

Once your design has been successfully
approved, you can reorder your custom Thermocook®
waffle baking plate – again and again.

4

Personalised & Memorable

The waffle baking plates are based on your
design and ensure consistently high-quality
brand recognition.

Customise your waffle with text or a design for specific
occasions, as a logo waffle for your catering business, or with
your company logo for marketing and promotional purposes.

Your brand message is conveyed in a way that is delicious
and effective.

Sensory Marketing

The sweet, traditional waffle creates positive associations
with your company.

The smell of fresh waffles attracts your customers from afar.

The appetite and sweet taste are subconsciously linked to
your brand.

The logo waffle remains in good memory!

Reliable Quality

Made from high-quality, non-stick coated aluminium for
optimal baking results and easy cleaning. Ideal for
professional use.
