Art.-Nr. 31-40866-01

Disco Snack (Jaffle) Interchangeable Plates for Thermocook®

Description

With the Disco Snack interchangeable plate, creative jaffles can be prepared quickly, easily, and reliably. A variety of baked goods such as brioche, flatbread, or classic toast offer maximum flexibility and enable both traditional and modern snack concepts. Particularly popular is the Ice Cream Sandwich (croque glacé): golden brown and warm on the outside, with delicately melting ice cream inside – a striking contrast that attracts attention. The Disco Snack is ideal as a to-go solution for street food, events, cafés, or casual dining concepts. With just one device, countless filling variations can be created, from savory options with meat, cheese, and vegetables to sweet creations with chocolate, fruit, or ice cream. This allows you to expand your offering flexibly and create real variety for different target groups.

Maximum flexibility for your snack offering:

- Suitable for brioche, toast, flatbread, and other baked goods.
- Perfect for both savory and sweet fillings.
- Ideal for trends such as ice cream sandwiches (warm outside, cold inside).
- Supports versatile menu expansion without additional equipment.

Efficiency in daily operation:

- Fast preparation for high output.
- Easy cleaning thanks to the non-stick surface.
- Interchangeable plate system for maximum flexibility.
- Ideal for to-go concepts and high customer frequency.

High-quality construction & material:

- Made of solid aluminium.
- Even heat distribution for optimal baking results.
- Durable and designed for professional use.

Technical details:

- Compatible with Thermocook and Thermocook Twin devices.
