Art.-Nr. 32-40730-01

Pocket Snack Interchangeable Plates (cast iron) for Thermocook®

Description

With the Pocket Snack, fully sealed, triangular snacks are created with a crispy exterior and a juicy filling. A wide variety of dough types such as flatbread, pizza dough, tortilla, dürüm, crêpe, galette, brick pastry or puff pastry offer maximum flexibility and enable both classic and creative snack concepts. During baking, the base and top layers are completely sealed together, creating a cleanly closed snack – ideal for to-go sales. From savory options with meat, cheese or vegetables to sweet fillings with chocolate or fruit, the Pocket Snack offers maximum creative freedom. By using pre-portioned ingredients, processes can be standardized, quality ensured and workflows made more efficient. Ideal for street food, bakeries, cafés or modern to-go concepts.

Maximum flexibility for your snack offering:

- Suitable for a wide range of dough types such as tortilla, crêpe, pizza dough or puff pastry.
- Perfect for both savory and sweet fillings.
- Ideal for classic snacks or creative signature creations.

Perfect product shape. Efficiency in daily operation:

- Creates fully sealed, triangular snacks with a crispy exterior and a juicy interior.
- Filling is securely enclosed for optimal on-the-go consumption.
- Closed snacks allow clean handling in to-go business.
- Ideal for standardized processes using pre-portioned fillings.
- Fast preparation for high output.

High-quality construction & material:

- Made of solid, uncoated cast iron.
- Excellent heat retention and even heat distribution for perfect baking results.
- Extremely robust and durable for professional use.

Versatile applications:

- Ideal for street food, bakeries, cafés and foodservice
