Pocket Snack Interchangeable Plates (cast iron) for Thermocook®

With the Pocket Snack, fully sealed, triangular snacks are created with a crisp exterior and a juicy filling. A wide variety of dough types such as flatbread, pizza dough, tortilla, dürüm, crêpe, galette, brick pastry or puff pastry offer maximum flexibility and enable both classic and creative concepts. During baking, the base and sides are completely sealed together, creating a perfect product shape. From savory fillings of meat or vegetables to sweet fillings with fruit, the Pocket Snack offers maximum creative flexibility. Pre-portioned ingredients, process quality ensured and workflows made efficient. Perfect for street food, bakeries, cafés or mobile catering. Maximum flexibility for your snack concept.

Suitable for a wide range of dough types such as crêpe, pizza dough or puff pastry.

Perfect for both savory and sweet applications.

Ideal for classic snacks or creative concepts. Perfect product shape. Efficiency in production.

Creates fully sealed, triangular snacks with a crisp exterior and a juicy interior.

Filling is securely enclosed for optimal taste and hygiene.
