Art.-Nr. 00-80626 Electric Griddle Plate I

Description

Grill surface 320x480 mm

Griddle plate made of 10 mm thick steel: Ideal heat retention for perfect searing and short cooking times. even heat distribution and a significant reduction of temperature fluctuations

Flat plate without grooves for easy cleaning

Welded griddle plate: Perfect hygiene without gaps in which

residues can accumulate

Integrated grease pan with high capacity of 1 liter

Easy operation

Temperature range 50-300°C

Thermostatic control

Pilot lights

Control elements splash-proof IPX4

Stainless steel casing

Height-adjustable feet

Technical data

Electric power: 3 kW

Voltage: 230V

Supply frequency: 50Hz

Width x depth x height: 328 x 541 x 285 mm

Net-weight: 22 kg

Working area: 320 x 480 mm
