## Trennback 100 | Waffle+Baking Anti-Adherent Spray for waffle makers

### Description

Better than ever before: Optimised spray head and improved formula. The easiest and quickest solution of inducing a thin and even layer of grease on your baking plates. The spray based on vegetable oils spreads an appetising fragrance while baking: Your customers will be attracted from a distance.

Although Neumärker Trennback 100 smells like vanilla during the baking process, it does not change the taste.

• Specially developed for greasing waffle irons. Of course you can also use Trennback 100 to grease crêpes plates or baking dishes and moulds.

• Plant-based spray for easy and quick greasing of baking plates

• 600 ml spray can

• For waffle irons, crêpe plates, baking tins, baking trays, tartlet moulds

• Suitable for greasing cast iron, stainless steel, enamel, non-stick coatings, ceramics and much more

• **ATTENTION:** This product is only approved for the professional application and must not be sold to private consumers
