

Description

Bubble Waffle baking mix for catering. Perfect for selling waffles at markets and festivals. The ready-made batter mix is just mixed with water! This makes the batter quick and easy to prepare in between.
The Bubble Waffle recipe:

Special recipe for airy bubbles with crispy dividers.

The thin dividers harden quickly during cooling and give the waffle stability when folded to a cone. The bubbles remain fluffy and soft.

Less sweet than most waffles so it can be generously filled.

Quick preparation:

Mix with water only. No need to add fresh ingredients. This is quick and simplifies organisation, storage and preparation.

Technical data

	Gas power:	'0'
	Width x depth x height:	390 x 290 x 170 mm
	Net-weight:	10 kg
	Content / Capacity:	10 kg
