

Art.-Nr. 15-50220N

Warming Bridge "Chips Warmer" 2.0

Description

- Chips warmer for warm-keeping of deep-fried food
- The perforated stainless steel insert allows crumbs and salt to fall through
- Excess oil can drain off to prevent food from getting soft
- The chips warmer is ideal for chips, french fries, chicken nuggets, calamari, etc.
- Heat bridge with top heat for keeping warm
- Particularly stable frame construction
- Optimised mounting of the warming bridge top
- Chips warmer completely made of stainless steel
- Incl. 1/1 GN container 65 mm deep
